

## *Talent Survey*

You never know what skills, talents, professions or hobbies may be helpful. We would like to know what gifts you have to share. Can you sew, tell a good tale, knit, draw, make balloon animals, decorate a cake, knack for science, sing, good with numbers, the list can go on for ever. Come on, there must be something you're good at. Let us know. You never know what may inspire a child, fill a child with joy, encourage a child, or make a child laugh. After all, that is what it's all about. (This is not mandatory to become an APTO member)

List some things for us, if you will:

# *We CAN make a difference...*

*...are **YOU** ready?*

### **What is the APTO?**

We are an organization, mostly made up of Parents and Teachers, but include grandparents, community and anyone interested in making a difference in our children's educational experience.

\*\*\*\*\*

### **What does the APTO do?**

We find exciting ways to introduce our children to a variety of experiences they may not otherwise have. We also find fun ways to raise money for things like the HS senior scholarships, a K-8 literary program, school improvement projects, school pride program, tutoring program, staff appreciation and many other meaningful programs.

### **Are you asking "How can I help"?**

We really need you and there are many ways in which you can lend your support to the APTO. Some of the ways you can help may include some less time consuming things like: making telephone calls, creating forms, manning a cash/activity booth, making a dozen cupcakes, or collecting donations. Then there are the more time consuming things like: creating a logo, being a room parent, designing a cookbook, chairing a project or activity. We may just ask you to sit on an activities committee to share ideas; or, lend support at an upcoming School Board meeting. So, as you can see, how involved you get is up to you. We welcome and appreciate all levels of participation.

### **Where do I sign up?**
